Alexandroupolis, July 17th 2019

Press Release

3rd Steering Committee of the project
“Sailing across the Black Sea - SaBS” BSB 240
Joint Operational Programme
Joint Operational Programme “BLACK SEA BASIN 2014-2020”

On Tuesday 23rd of July at 9:30am and in the premises of Port Authority of Alexandroupolis it will take place the 3rd Steering Committee of “Sailing across the Black Sea - SaBS” BSB 240 Project. Representatives of the 3 Project Partners are going to attend the Committee in order to share ideas and knowledge about the obstacles emerged and analyze project progress

Project Partners are:

1. Port Authority of Alexandroupolis (OLA SA) -Lead partner/Alexandroupolis-Greece
2. Sport Fishing Club "Glarus"/ Burgas, Bulgaria
3. International Center for Social Research and Political Analysis/Vatumi, Georgia

The SaBS project was the subject of a long-term planning of the Alexandroupolis Port Authority with main aim to enhancing the capacity to accommodate tourist boats as well to facilitate bonds and collaboration with Black Sea ports with overall outcome to enhance tourist flows to the area of Alexandroupolis.

Common borders. Common solutions.
